Electronic is fine.

I need to confirm that myself.

Hi Ted –

Can do. I am assuming that you want a printed copy, not electronic. Please confirm that my assumption is correct. Is one copy sufficient?

It appears Jim Barr will be the HQ reviewer of the DEIS. Correct?

Thanks.

Faith

Faith,

Do you have a copy of the NEPA Scoping report I can forward to HQ?

Thanks,

Ted

Ted:
Apparently Honolulu is preparing to submit a High Capacity Corridor ADEIS for review.
They should have completed their NEPA Scoping Report.
Would you ask them if they have it please, and send it along.
Thanks;
Jim
